We are delighted you will be joining us. The all-inclusive event includes bringing a non-shooting spouse or guest to share in the gourmet dining and conviviality. Please indicate below your ammunition needs, if you are bringing a guest and which meals you and your guest plan to attend.

Participants shooting live birds need to have a current NJ Firearms Hunting license, or a past or current license from another state, or a Hunters Education Certificate card. This is mandatory. Anyone without the proper paperwork will not be issued a NJ One Day License or allowed to shoot live birds. Please indicate below what gauge ammunition you will need and fill out the enclosed form for a One Day NJ License if you need one.
